ATTENTION ALL JUDGES

Just previous to the last Board Meeting held in Tampa recently, it was discovered that according to our new Show and Judging Rules we would have no accredited Senior Judges this year unless some action was taken. The Board requested a refresher course for the Senior Judges be held in conjunction with the Annual Meeting in Daytona Beach.

Since no details for the refresher course was laid down the following plan was devised, for this one time only. The Judging Committee can meet and give its recommendations for a permanent system.

Mrs. Paul Goodman, Chairman of the Show and Judging Rules Committee, will act as moderator of a panel to conduct the course. The panel will consist of one Senior Judge from each Chapter, selected by the chapter.

If any of our members have ideas on how to proceed with this in future please send them to Mrs. Goodman (1699 Lakeside Drive, Orlando), along with any other changes in the rules that should be made. All these suggestions received will be carefully considered by the committee and the Board will recommend whatever action is deemed necessary at the Annual Membership Meeting. The changes will be voted on by the general membership at this meeting. If you want changes, come to the Annual Meeting and make yourself heard.
